Take Your Place in Marine Corps History

Now you can order an engraved brick to be installed at the site of the National Museum of the Marine Corps in Quantico, Virginia. Honor a Fellow Marine or Loved One...Show Your Pride in Our Corps... Say "Semper Fidelis!" to Generations of Marines!

A monument to Honor, Courage, and Commitment...

As the world's premier fighting force, the United States Marine Corps has stood in readiness for America's defense since the Continental Congress authorized its creation during the early days of the American Revolution. Now, the National Museum of the Marine Corps shares that history with our great nation.

The Museum is a lasting tribute to U.S. Marines—past, present and future. Situated on a 135-acre site adjacent to the Marine Corps base at Quantico, Virginia, the Museum's soaring design evokes the image of the flag-raisers of Iwo Jima and beckons visitors to its 118,000 square foot structure. World-class, interactive exhibits using the most innovative technology surround visitors with irreplaceable artifacts and immerse them in the sights and sounds of Marines in action. You can be a part of this extraordinary Museum, and mark for all time your patriotism and respect for Corps valor.

Order a Brick Today

For a donation of \$300, your name, or that of someone you wish to honor or remember, will be engraved on a brick lining the winding pathways to rally points in Semper Fidelis Memorial Park. Overlooking the Museum's awesome structure, the rally points are places to reflect upon the sacrifices past and present Marines make to protect our Nation.

Your engraved brick will affirm for posterity your Esprit de Corps with the men and women who risk their lives for the freedom we value. This special gift will help the National Museum of the Marine Corps and Heritage Center preserve Corps history and heritage, and forever attest to the honor, courage, and commitment that embody America's "first to fight."
